

**Lake Management SAD**  
**\$140 per year**  
Due: **Included in winter taxes**

This payment is now automatically added to your winter property taxes. The purpose is to maintain the beauty and quality of our lake water and property values. Examples of money allocations:

- Management of lake weeds and invasive species plants
- Educational activities for community involvement
- Winter aeration of Perch Lake to prevent fish kill
- Water quality assessments

The fiscal year is January 1 – December 31.
